Excess Contribution Removal

Funds contributed in excess of your contribution limit are subject to penalty and tax unless the excess and any earnings are withdrawn by you prior to the due date (including extensions) for filing your federal income tax return. You should consult a qualified tax professional for advice on your excess contribution removal.

NOTE: The Internal Revenue Service requires FPS Trust to report withdrawals that are considered refunds of excess contributions. In order for the withdrawal to be accurately reported, you may not withdraw the excess directly. Instead, you must request an excess contributions refund by faxing or mailing this signed and completed form to *HealthSavings Administrators*, using the address or fax number listed above.

A \$25 excess contribution removal fee will be deducted from your account.
