ADMINISTRATORS

Investing in a Healthy Future

A photograph of two women in professional attire. One woman, on the left, is wearing a light blue blazer and a white collared shirt, smiling as she looks at a laptop. The other woman, on the right, is wearing a dark blue blazer and is also smiling while looking at the laptop. The laptop is open and positioned in the foreground. The background is a soft, out-of-focus office setting.

INSTRUCTIONS

You've made an excellent decision to help your Participants save for their future health and retirement expenses using an investment health savings account (HSA). To open accounts for your Participants, simply review the information provided, complete the **Plan Set-Up Form** and return to:

INVESTMENT HSA PRODUCTS

HealthSavings' Select Fund Line Ups

Plan Sponsors may choose an investment HSA product to offer Participants. Visit <https://healthsavings.com/Overview> for a complete list of options.

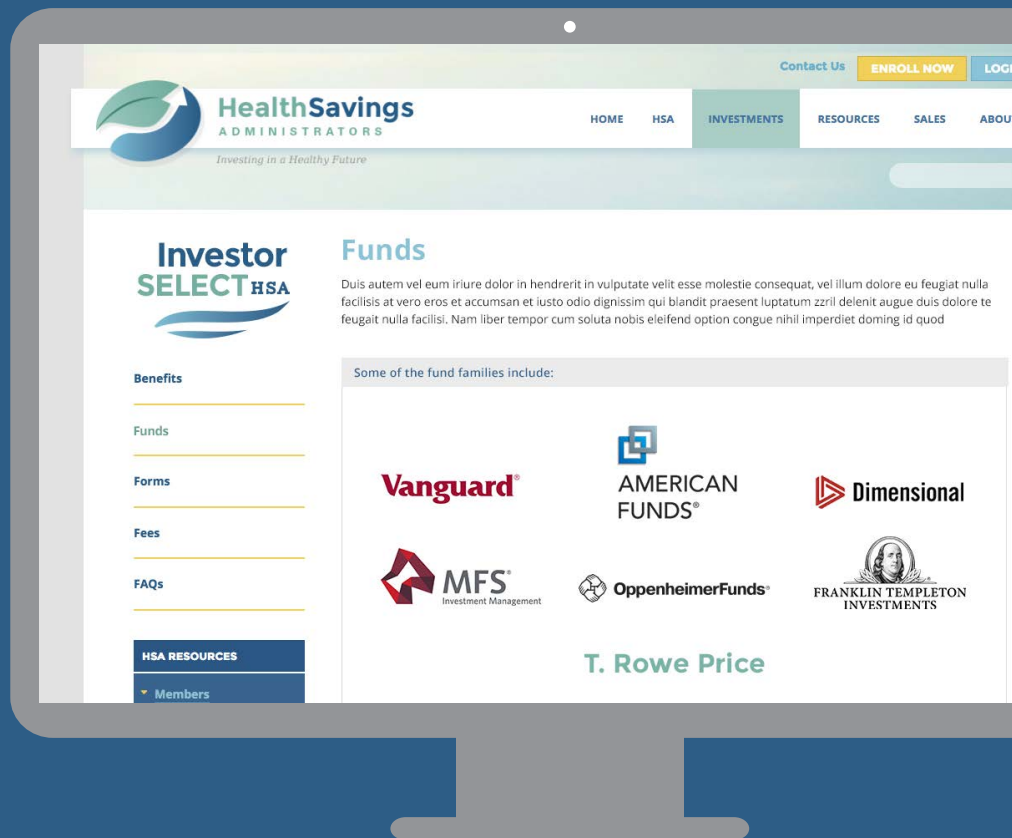

FEATURED!

*Most Variety
& Flexibility*

Investor SELECT^{HSA}

80+ funds to choose from including Vanguard®, American Funds, Dimensional, MFS®, Oppenheimer, Franklin Templeton Investments, T. Rowe Price and more. Pick and choose the funds you like.

Details at <https://healthsavings.com/investorselect/funds>.

Custom Fund Line Up

Plan Sponsors working with Investment Firms/Agencies and/or Financial Advisors have the option to create a custom fund line up with help from their Advisor. For additional information, please contact us or consult your Financial Advisor. Please allow an additional 5 –15 business days for set up. Additional advisory fees may apply.

WHAT'S INCLUDED?

Our investment HSAs include the following:

Investment Account

- Your choice of investment program
- No minimum balance requirements
- No transaction fees

Interest-Bearing Cash Account

- Up to two free debit cards (optional) that can be used to pay eligible medical expenses

Plus, the ability to:

- Access Morningstar ratings, fund overviews, prospectuses and more
- Transfer funds between cash and investments
- Change investment elections
- Rebalance investments
- Schedule one-time and/or recurring contributions
- Withdraw funds via electronic transfer or request a check
- Add or update authorized signer(s) and/or beneficiary(ies)
- View statements reflecting debit and investment activity
- And more

SET UP TIMELINES

After we receive your completed forms, *HealthSavings* begins the set-up process. Expect the following timelines before enrolling Participants and contributing to accounts.

	Set Up Timeline
Enroll Participants	Within 2 – 3 business days
Contribute to accounts	Within 7 – 10 business days or after the HSA effective date, whichever is later

Again, if you are working with a Financial Advisor to create a custom fund line up, please allow an additional 5 – 15 business days for set up.

ENROLLMENT OPTIONS

We offer several enrollment options, including:

- **Eligibility File Upload:**
We provide a file template (XLS) that you complete and return to us. Once received, we upload the file and enroll Participants.
- **Online Enrollment:**
We provide you with an email template to send your Participants with instructions for enrolling online.
- **Pre-Registration with Online Enrollment:**
You enter your Participants' demographic information into our Employer Portal, and our system sends an email to the Participant with instructions for completing their enrollment online.

About Customer Identification Program (CIP)

During the enrollment process, some of your Participants may need to go through an extra step or two. The U.S. Patriot Act requires us to complete an identity verification for every individual who wishes to open an account with us. There are three potential results for each Participant:

- **Opened and Ready for Funding:**
Participant has passed the customer identification program (CIP) and will receive an email that their account is open. Participant can now access their account online, and Plan Sponsor can begin funding the account as soon as the plan effective date.
- **On Hold:** Additional information is needed to identify the Participant. Individuals in this category will receive an email that their account

has been registered, but not opened. When logging in for the first time, they will be asked "out of wallet" questions and must answer at least 3 of 5 correctly for the account to be opened. If the individual cannot answer 3 of 5 questions correctly, they will receive an email requesting two official forms of ID.

- **Unable to Open:** A Participant in this category did not provide sufficient information to pass the CIP. They will receive an email with instructions to provide two official forms of ID. If the documents are not provided or are not acceptable, the account will not be opened. We may also request additional information to verify their current address.

Only accounts that are Opened and Ready for Funding can accept HSA contributions.

FUNDING OPTIONS

We offer several contribution options, including:

- Schedule an ACH/EFT pull
- Send a wire/ACH push
- Direct deposit
- Mail a check

Our withdrawal options include:

- Schedule an electronic transfer
- Use the debit card at the point of service or ATM
- Request a check

FREQUENTLY ASKED QUESTIONS

What's the process for transfers/rollovers from another HSA custodian?

First, the Plan Sponsor sets up the HSA program with *HealthSavings* for their Participants. After the Participants' accounts are opened, each Participant should complete and submit our **Transfer/Rollover Request Form** located at <https://healthsavings.com/forms/>. This will initiate the transfer/rollover from the other HSA custodian to the *HealthSavings* HSA. Please allow 4 – 6 weeks for processing transfers/rollovers.

If Participants have both cash and investments, they will receive both electronic monthly statements and quarterly statements according to their preferences (paper or electronic).

All statements will be sent or posted within one month following the end of the month and/or quarter. To view statements online, Participants can log into their account at <https://healthsavings.com/login/>.

Which administrative functions can Plan Sponsors manage online?

Plan Sponsors can manage a variety of administrative functions online, including:

- Adding Participants
- Scheduling contributions
- Viewing contribution reports, including past and upcoming contributions
- Updating company profile, password, notification preferences, etc.

What information appears on Participants' statements?

The statement provides a summary of all activity, including but not limited to:

- Participant's beginning balance, ending balance and change in value (+/-)
- Contributions
- Transfers/rollovers, if applicable
- Withdrawals, including debit activity
- Fees deducted from the account
- Investment allocation
- Special announcements

When do contributions appear in Participants' accounts?

The contribution timeline depends upon the funding method. Please keep the following timelines in mind when scheduling your Participants' contributions:

Funding Method	Funds Appear in Participants' Accounts
ACH/EFT pull	3-4 business days
Wire/ACH push	2-3 business days
Direct deposit	2-3 business days
Check	Up to 10 business days

When do Participants receive tax forms?

Participants receive IRS Form 1099-SA (reporting HSA withdrawals) at the end of January and Form 5498-SA (reporting HSA contributions) at the end of May. We keep an updated list of important HSA-related dates on our website.

When do Participants receive statements?

If Participants have a cash account, an electronic statement will be posted to their online account each month.

If Participants have investments, statements will be sent quarterly according to their preferences (paper or electronic).

What happens to a Participant's HSA when he or she leaves the Plan Sponsor or enrolls in a non-HSA-qualified health plan?

Since the HSA belongs to the individual, the account must remain with the Participant. As long as the individual continues coverage under an HSA-qualified health plan, they may continue to contribute to the HSA. If the Participant enrolls in a non-HSA-qualified health plan, they are no longer eligible to contribute to the HSA; however, they may continue to use the funds to pay for qualified healthcare expenses.

FREQUENTLY ASKED QUESTIONS

When a Participant terminates employment, does the Plan Sponsor still pay the administrative fee?

The Plan Sponsor is not obligated to continue paying the fee for the terminated Participant. To remove the Participant from the company roster, the Plan Sponsor must notify *HealthSavings*. Failure to notify us will result in payment of administrative fees for terminated Participants. Furthermore, fees not paid after 90 days of becoming due will be pulled from Participant accounts. Please consult our billing policies for additional information.

If I'm working with a Financial Advisor, can I create an HSA investment program that mirrors my 401(k) or 403(b)?

Yes. Simply ask your Financial Advisor to contact us and we would be happy to work with him/her to create a custom fund line up.

If I'm working with a Financial Advisor, does the Advisor need to collect an Appointment of Financial Professional (Broker of Record) Form for every employee?

No. The Appointment of Financial Professional (Broker of Record) Form enables an individual Participant to allow an Advisor access to his/her account for the purpose of providing personalized financial advice. Plan Sponsors may offer employees the Advisor's HSA and allow them to self-direct investments without obtaining personalized advice from the Advisor. Therefore, the Advisor does not need to collect Appointment of Financial Professional (Broker of Record) Forms for every individual Participant employed by the Plan Sponsor.

What if I have additional questions?

Simply contact us at <https://healthsavings.com/contact-us/>.

Send completed form via email or fax to:

Email: employers@HealthSavings.com **Fax:** (804) 726-1570

Privacy, the USA PATRIOT Act and the Employer Site — We respect the confidentiality of customer information. Some of the information we request is required by the USA Patriot Act and regulations adopted by governmental agencies to implement it. This law requires us to obtain, verify and record information that identifies each person or entity that opens an account. This information helps the government fight the funding of terrorism and money laundering activities. When signing up for the employer portal, we will ask for your company's name and address. We will also ask for an identification number such as your Social Security, EIN or Tax Identification number. This information will allow us to identify you. In some instances, we may also ask to see identifying documents. Rest assured that all customer information is kept in the strictest confidence, unless required by law to be disclosed.

FPS Trust (Custodian) and *HealthSavings* are not responsible for any loss, injury or damage, whether direct, indirect, special, consequential, exemplary, economic or otherwise, caused by the use of the website or the unauthorized access of the website. The plan sponsor shall be solely responsible for requesting a password to be used by authorized users. Plan sponsor shall be solely

responsible for the protection of such passwords to ensure that only authorized users access the website. Plan sponsor shall ensure that all authorized users comply with the terms and conditions of this agreement and shall be solely responsible for any failure by the authorized users to do so. Because the provided password can be used to access sensitive account information, all authorized users should treat the password with the same degree of care and confidentiality that they use to protect other sensitive financial data. All authorized users agree to not give the password or make it available to any person not authorized to access the website. Further, plan sponsor agrees to notify *HealthSavings* immediately should any previously authorized user become ineligible for access, so that the password may be deactivated.

Secondary Administrator *(if desired)*

Subject to the terms and conditions of the agreement, the Plan Sponsor may authorize a secondary administrator to act in the capacity of the main administrator. If additional administrators are needed, please provide that information on a separate page.
