

FRANKLIN TEMPLETON FUNDS LIST

Since 1947, Franklin Templeton® has been dedicated to delivering exceptional asset management for clients. *HealthSavings* is proud to offer health savings accounts (HSAs) with access to 17 Franklin Templeton funds.

With an HSA, clients can save for both current and future healthcare expenses.

By bringing together multiple, world-class investment teams in a single firm, Franklin Templeton is able to offer specialized expertise across a full range of asset classes, supported by the strength and resources of one of the world's largest asset managers.
