

# Empower Your Clients To Create a Happy, Healthy Future

## **HealthSavings: Investopedia's "Best Overall HSA" of 2021**

With a 17-year track record serving benefit brokers, *HealthSavings* has the expertise to support a successful HSA implementation for employer groups of any size. We offer a consultative approach combining your client knowledge with our industry-leading service to develop and implement a game plan. The result? **Happier clients and improved uptake rates** supported by award-winning education and communication.

### **White-glove employer support**

- All employers get direct support in person or virtually through webinars, online meetings and emailable materials
- Access to comprehensive reports on participation, engagement, account balances and more
- Your clients will enjoy an easy implementation and pleasant ongoing experience, as well as get higher HSA adoption rates

### **Industry-leading customer service**

- We provide 90+% account holder satisfaction, even at the busiest times of the year
- 92% first call, same-day call resolution and 95% of calls answered within 30 seconds
- Your groups' employees receive speedy, friendly service, resulting in fewer HSA questions to your HR teams or you

### **Superior employee education**

- We take the burden off employers when it comes to HSA education
- Personalized communication based on account holders' needs and goals
- Award-winning HSA education with comprehensive suite of educational resources
